LOST IN
LONDON

LOST  로스록 리버
LONDON

What
is drinking
blood like?

Well...

What do
you think?

Hmm...

Like having an
integrated form
of nutrition?

Pff-

Maybe

Maybe?

Because
I haven't had
any human blood
in the past
century

!

Then what
did you live
on all this
time?

Is it because
she died?

No.
No-

Marietta
was... Well...

I can't
remember
exactly when it
happened anymore,
but it was a long
time ago.

Perhaps
that was one
of the reasons. She
voluntarily chose her
death and, at the
time, it came as
a shock to me.

I at that
time... How
should I say
this...?

For
the first few
decades, I tried
intoxicated by
that power.

I did all
kinds of things
as if I had become
the king of the world.
Impetuously biting,
raping, drinking,
enjoying.

I know...

And then?

Are you shocked?

But that's what I was like. I don't want to be.

Later on, it became boring.

I started to get tired of the perpetually repeating life.

It had no meaning anymore. Living itself seemed like a punishment.

A life that creates only death... Becoming after a while I became afraid of eventually forgetting who I was.

That was when I met Nael.

Nael?

Fine.
Then,

If I gave
you Nael.

What will
you give me
in return?

Kak.
Are you
bargaining
with me?

How
about the
life I gave
you?

Hmph.

It's not like
I wanted it.

Then-

Are you
saying I should
have left you to
die after you lost
your eye to your
own dad?

Why don't
you stop with the
useless talk about
the past?

It's getting
boring.

Alright.

I want
Nael and
you want
that girl.

It's
simple.

I'll kill
Noah.

Then,

You'll easily
have that girl
to yourself,
Sen.

So...

Now,
tell me.

Nael
is...

A sort of
a manager who
is in charge
of us.

Where is
Nael?

A manager?

Later-

You
are going
to...

Kill
Noah?

Why are you
surprised?

It's not
as if you like
Noah, right?

You are going
to kill without
permission?

I already...

Since
the time the
Elders tried to
kill me,

I couldn't
care less about
those laws.

Do you
really not
know about
Noah?

He won't
be an easy
opponent.
Just
if you

Ah...
Ah...

I know
that well.

So,

Because
bait is a must
when you fish.

I have
a plan.

Don't tell me...

Anna?!

抖

아

Oh
wow~.

He has
assorted
everything?

close..

BA-DUMP-

BA-DUMP-

These
morons-

They let a
human into
the house?

Who are
you?

Anna-

*Come
here.*

*Don't be
scared.*

*Hi,
Anna.*

*You are
a pretty kid.*

ANNA!

WHAT'S
WRONG?!

!!

NAEL?

JUST
WHAT-

Anna?

RUCE
RUCE

Am...na?

Anna!
Are you
okay? You're
bleeding!

**DON'T COME
NEAR ME!!**

That kid...

...is Anna?

*"I'm going to let
this end for me."*

*"He loves me so
he will change me - Anna."*

"So Mummy isn't going to die-."

Your face...

*~~It was a
sinspire...~~*

*Who caused my
mom to die...*

Hasn't
changed
a bit...

Even
though it has
already been
14 years-.

She...

That's
why she
abandoned
us-

Wanted
to become a
vampire.

And
slowly died
in front of
me. Waiting
for you to
come...

He will come... He will come... He will come...

But he
didn't come.
The person
my mom was
waiting for-

Even when
the bathtub
turned red and
overflowed to
the floor...

And it
reached my
feet...

I...

ANNA!!

!!
